**VOTE Lauren Traw**  
FAITH • FAMILY • FREEDOM

I'm running for Republican Precinct Committeeman because I believe in serving my community and strengthening our local Republican Party. I was raised with a strong commitment to conservative values like limited government, individual liberty, fiscal responsibility, and respect for the Constitution. Through my work in business and supporting local campaigns, I've developed strong leadership skills and understand what it takes to earn voters' trust and win election. I'm committed to listening, working alongside my neighbors, and helping Republicans succeed through organization, outreach, and results. I would be honored to earn your vote. - Lauren Traw

- Putting in your spring garden? To keep your nails from developing a dirt problem, use this classic tip: Rake your nails over a bar of soap. It "seals" the gap underneath, and later when you wash your hands, the soap slips right out, no need to spend time scrubbing out the dirt!
- Add these to the list of items to eliminate the odor of cooking cabbage: a heel of bread, a whole walnut or a pinch of baking soda.
- Love beans but trying to save a little money? Don't be intimidated by dry beans. Just rinse them and chuck them in the slow cooker. Add water according to package directions and cook on low for up to eight hours. After they are cooled, you can bag them in zip-top bags and freeze them for easy use later.
- If you keep a couple of crackers in your sugar jar, they will keep the sugar from caking.
- If you or your kids have trouble drifting off to sleep, try this aromatherapy trick: Spray sheets with a diluted lavender essential oil. Lavender is classic for sleep time.
- "To make the most handy long handled garden tool, do this right now: Lay the tool on the ground (it can be a hoe, rake, whatever you use most) and, using a tape measure, mark out feet and inches with a permanent marker right on the handle. Now, when you go to put plants in the ground, you can space them out perfectly by laying down your tool along the planting line." -- C.O. in Arkansas

## A PATTERN WE CAN'T AFFORD.

**When KCRCC-backed officials fail, we all pay.**

This isn't bad luck. It isn't coincidence. It's a pattern — and it keeps costing North Idaho families, students, and taxpayers.

### EDUCATION · LAKELAND SCHOOLS

**KCRCC-backed trustees have thrown Lakeland into turmoil.**

They've cycled through superintendents and placed their newest hire on paid leave with no misconduct cited. 84 former staff, superintendents, and community members have signed a letter demanding they resign. Two levies have failed. Teachers, students, and families are paying the price.

### HIGHER EDUCATION · NORTH IDAHO COLLEGE

**KCRCC-backed trustees nearly cost us NIC.**

Their governance drove the college into a "show cause" accreditation sanction — risking thousands of students' degrees and tens of millions in public funding. Taxpayers footed the bill for legal fees, reviews, and turnover. Voters rejected those trustees in November 2024.

### LIBRARIES · COMMUNITY LIBRARY NETWORK

**KCRCC-backed trustees cut services, then spent anyway.**

In 2023, the KCRCC-backed board cut hours, closed libraries on Sundays, and slashed programs despite public opposition. In 2024, 13 staff were laid off — all justified by refusing the routine 3% tax increase. Yet in 2026, the board took the 3% increase anyway, then approved a \$32,000 raise for the library director and a \$127,901 office lease. After years of cuts and layoffs, taxpayers deserve to ask: whose interests were really being protected?

Change Starts Here  
**Start with Your PC.**

Precinct Committeemen elect KCRCC leadership. If you want a KCRCC that puts community first, shares honest candidate information with voters, and is responsive to the people — vote for PCs who will make that change.

*Three institutions. One source. Real costs.*

IT'S A TRAP, A BAIT AND switch tactic to prepare people into taking the Mark of the Beast (Sunday worship services), which will result in suffering the horrors of the 7 last plagues. President Trump made an executive order on May 4th that all Americans are to honor May 16th to honor the 7th sabbath (Saturday). The agenda is to truck the Christian world into demanding a day for themselves: Sunday. Because Trump places honor on the so-called Jewish Saturday issue, this tricks the so-called Christian world into also demanding a day for themselves, which they call the Lord's Day, Sunday, thereby getting people to take the Mark of the Beast. Had they bothered to study the Bible, they would have realized that God calls the 7th day sabbath, Saturday, the Lord's Day (Isaiah 58:13, 14 and Matthew 12:8). God blessed only one day of the week as holy (Genesis 2:1-3), and as a sign of loyalty towards Himself (Ezekiel 20:12, 20). God promises a blessing to anyone who observes the 7th day sabbath (Saturday), and the word sabbath means a day to rest from all work (Exodus 20:8-11). Tim, 208-217-8942 text

A BIG MISTAKE PEOPLE make about Christianity is thinking they have to change themselves before Jesus will accept them. When Jesus said that a person must be born again to get into the kingdom of God, it's just that, because absolutely no one comes into Christianity knowing everything there is about it. It is a growing up process, as a baby learns to walk before they can run. That is why God says not to judge anyone, because you can't know what stage of growth they are at, at that moment. The all important point is: to start, be willing to learn, don't try to change yourself, as God takes care of that Himself, simply through Bible study, and that is why I always encourage Bible study before going to any church. The Bible clearly points out that the born-again experience is only through the word of God, the Bible (1 Peter 1:23). The Bible is like a jigsaw puzzle, you just have to put all the pieces together, in the right order, to get the whole picture, and that takes time, don't rush it. If you need help, I provide whatever help you want, on any Bible subject you're interested in, by referring you to Bible verses you can read for yourself, on any given subject, so you can make up your own mind on what you want to believe. (Remember that the Bible can be read free online.) Tim, 208-217-8942, text

## Series of Montana Poaching Crimes Leads to Lifetime Loss of Hunting and Fishing Privileges for Tennessee Man

— Montana Fish, Wildlife & Parks —

HAMILTON— Montana Fish, Wildlife & Parks game wardens report that Jerry "Trey" Truitt III of Tennessee was recently sentenced for wildlife poaching crimes committed in Ravalli County, resulting in a lifetime loss of hunting and fishing privileges. Truitt also had a prior history of poaching convictions in Ravalli and Lake Counties.

The most recent case concluded April 2 in Ravalli County Justice Court where Truitt pleaded no contest on five criminal counts related to poaching crimes he committed in 2024 and 2025. Truitt was convicted on two counts of unlawful possession of wildlife (turkey and sandhill crane), one count of hunting without a license, one count of criminal trespass, and one count for hunting during a closed season. Truitt hunted for turkeys without a license and killed a sandhill crane in Ravalli County, where there is not a season for cranes.

The original Montana case against Truitt related to poaching crimes he committed in 2024 in Ravalli County. He was originally convicted in Ravalli

County Justice Court in April 2025 on two counts of hunting without a license and two counts of unlawful possession of a game animal. He killed an antlerless elk and antlerless white-tailed deer in West Fork of the Bitterroot without a license.

In 2025 Truitt also pleaded guilty in Lake County Justice Court for obstruction of justice, using a license issued to another person, and violation of Commission rules and regulations related to unlawfully hunting waterfowl on Ninepipe Wildlife Management Area in 2024.

Ravalli County Game Wardens Taylor Gagnon and Shane Yaskus, and Warden Sergeant Lou Royce, led the Ravalli County investigations, and Warden Jake Pickens led the Lake County case. The earlier cases resulted in fines and restitution owed and some loss of hunting and fishing privileges, with the final sentencing bumping that into a lifetime loss.

"We would like to thank both county attorney's offices for all of their work through the years on these cases," said FWP Region 2 Warden Captain, Kyle Miller. "The Ravalli County Attorney's Office, and particularly Deputy County Attorney David Lakin, dedicated a lot of time and energy to these cases, and we appreciate his extra efforts."

FWP game wardens say that wildlife crime investigations like this one are often initiated or solved because of leads from the public. Visit [tipmont.mt.gov](http://tipmont.mt.gov) for more information on reporting natural resource crimes and who to contact in your local area.

## Unleash Your Adventurous Spirit At Summer Becoming An Outdoors-Woman Workshop

— Montana Fish, Wildlife, & Parks —

Don't let the catch of the season get away! Apply for Becoming an Outdoors-Woman Summer Camp July 31 – Aug 2. Follow the fly fishing track to dive deep into Montana's iconic fishing. Applications open May 15.

Escape to the breathtaking Lubrecht Forest July 31 through Aug. 2 for a weekend of self-discovery, adventure and hands-on learning in the great outdoors.

The Summer Becoming an Outdoors-Woman (BOW) workshop is a three-day immersive experience, kicking off at noon on Friday and wrapping up around 1 p.m. on Sunday. Nestled in a camp setting, your stay includes lodging or space for your tent/camper and meals, so you can fully embrace the outdoor experience.

Over the weekend, you'll dive into four engaging instructional sessions, each 3.5 hours long, where you'll build new skills in a supportive, noncompetitive environment. Classes are hands-on and held outdoors as much as possible, giving you the chance to learn by doing while surrounded by Montana's stunning landscapes.

And the fun doesn't stop when the sun goes down. Evenings are filled with camaraderie, special activities and even more opportunities to learn and connect. Whether you're looking to master a new outdoor skill or deepen your connection with nature, there's something for everyone.

Come as you are and leave with new skills, new friendships and unforgettable memories.

Check out the information packet on our website at [fwp.mt.gov/education/becoming-an-outdoors-woman](http://fwp.mt.gov/education/becoming-an-outdoors-woman) for a full description of the application process, workshop schedule and class options. ## Afterglow of the Revolution

— Timothy Linton —

Neon eyes  
 Turbulent.  
 My infatuation runs together,  
 Collected in dew drops  
 Streaming into a current.  
 The waking from a long dream.  
 I saw you in a grocery story  
 And it its organized depths  
 I plumbed your heart's depth  
 And for a brief scandalous moment  
 I tasted a taste of death.  
 We stepped out of body  
 Out of place  
 Memory.  
 Iron  
 Too cold and old to bend or break  
 But your love can make the levy quake.  
 I held you in my arms.  
 And I could swear I felt you melt.

# Pets of the Week: Thelma and Louise

— Second Chance Pet Rescue —

Thelma and Louise are a bonded pair of best friends. Thelma is a 3-year-old spayed female Yorkie-poo (8 lbs) and Louise is a 3-year-old spayed female Goldendoodle (60 lbs). Both girls were picked up as strays running the streets in Utah. They were both severely matted and emaciated. They are making a full recovery here and have now been spayed and given a clean bill of health. They are looking for a home together. They travel well in the car, they are leash trained and very quiet, clean, well socialized girls. Do you have room in your heart and home for two lovely ladies? They will require regular professional grooming for the rest of their lives.

Please email [Idahocondog@yahoo.com](mailto:Idahocondog@yahoo.com) or search for Second Chance Pet Rescue, Hayden ID on [www.petfinder.com](http://www.petfinder.com) for more info and an adoption application.

# Pets of the Week: Millie and Max

— Better Together Animal Alliance —

Meet Millie! She is a 5-year-old sweetheart that weighs in at 106 pounds and is ready to find her perfect home. Millie has experience as an outdoor dog and is already house trained, making her transition into a new environment that much smoother. She gets along well with

other dogs, but she would do best in a home without cats or chickens. Millie can be a little shy when meeting new people, but once she warms up, her true personality shines-she's easygoing, affectionate, and loves being part of the action. Millie enjoys an active lifestyle and would be a great companion for someone who loves swimming, hiking, or going on long walks. She also has a playful side and can't resist a good squeaky toy. If you're looking for a loyal, loving dog who just needs a little time to come out of her shell, Millie might be the perfect match.

Meet Max! Renowned for her exceptional snuggles, this sweet 13-year old lady is looking for a cozy home where she can show off her talents. Though her history with dogs is limited, she has plenty of

experience with other cats and would fit right into a home with other feline friends. Kids are A-OK, too, as long as they're on the quieter side and don't expect her to play for hours like a younger kitty would. Do beware that she likes to hunt small animals; so fish, lizard, and bird owners watch out! Other than that, ultimately, anyone wanting a cuddle buddy with a bit of an attention-seeking streak will love her! If she sounds like a good fit for your life or you'd just like to cozy up with a kitty for a while, come say hi to Max!

## Pets of the Week: Rally and Stitch

— Priest River Animal Rescue —

Rally is a handsome, gentle cat with a quiet, easygoing nature. He may be shy at first, but once he feels safe, his sweet personality shines and he'll happily purr for affection. Rally would do best in a calm, peaceful home where he can settle in at his own pace. He enjoys keeping all four paws on the ground, unless he chooses to curl up in your lap. If you're looking for a loyal companion with quiet charm, Rally may be the perfect match. Come meet this sweet boy and see how easy it is to fall in love.

Stitch is approximately 4-1/2 months old and was abandoned with his mother before a kind family took them in. Now at the rescue, he is proving to be sweet, outgoing puppy. Because he is used to living outdoors, he does need help with leash walking, basic training, and house-breaking. Stitch is expected to grow to over 50 pounds and would thrive with an active family that has room for him to run

and time to socialize him. If you are interested, submit an application to schedule a meet and greet. He is available by appointment only.

## Pets of the Week: Finley and Mystique

— Hope's Haven Animal Shelter —

Meet Finley! She is a 3-1/2 year old Lab/ pitbull mix. Miss Finley is a VERY energetic dog, so she will need to go home with someone who is active and adventurous! She loves going on runs and playing in the yard. She cannot go to a home with ANY other animals, due to her high prey drive and dislike of other dogs. Finley has a lot of potential, she just needs someone willing to work with her and give her the time and attention she needs. If you have no other animals, a fenced yard, and lots of free time, Finley might be the girl for you!

Meet Mystique! She is a 8 year old tortoiseshell domestic long hair. Mystique came in with her housemate Sunshine, who is semi-bonded to her. They both love to lounge together and love on each other, but also like their separate alone time. Mystique did have some pretty severe matting when she first came to us, which is why she now has that super stylish "lion's cut."

Hope's Haven Animal Shelter (Benewah Humane Society) is open Monday-Saturday, noon-4pm. Come into Hope's Haven to visit and view our animals or check them out first on our website. Give us a call for more information today!

## Pets of the Week: Sweet Tea and Smokey

— Companions Animal Center —

Sweet Tea is a 3-year-old hound with a heart as warm as her name. She's a truly nice girl who's ready to start her next chapter with a loving family. This energetic pup has plenty of pep in her step and would thrive in a home that can keep up with her playful spirit. Whether it's going on adventures, exploring the outdoors, or just burning off some zoomies in the yard, Sweet Tea is always up for fun.

Smokey is a very sweet 13-year-old girl. She would do best in an adult only home. We believe that she would do okay with dogs, although she would need a very slow introduction but would need to go to a home with no other cats. Smokey loves to lounge around sleeping, as well as loving to receive nice pets and cuddles.

Companions Animal Center is located at 10275 N Atlas Rd, Hayden, ID. We are open to the public Tuesday-Saturday noon-6pm, Sunday noon-4pm, and closed Mondays. Visit [www.companionsanimalcenter.org](http://www.companionsanimalcenter.org) or call 208-772-4019 for more information.

## Camping closed at Swinging Bridge FAS May 1st-July 23rd

— Montana Fish, Wildlife & Parks —

**BILLINGS** – Swinging Bridge Fishing Access Site (FAS), located on the Stillwater River south of Columbus, will be closed to camping from May 1 to July 23. The site restriction was approved by the Montana Fish and Wildlife Commission on April 16th.

Swinging Bridge FAS is located downstream of Whitebird FAS. Both sites are popular with boaters, recreationists, and anglers, especially in the spring and summer. Whitebird FAS is currently limited to walk-in access only due to structural damage on the access bridge into the site. This restriction at Whitebird FAS will be in place until the bridge is repaired or replaced and is safe for public use.

Swinging Bridge FAS will likely experience increased public and commercial use due to displacement of boaters, recreationists and anglers from Whitebird FAS. The restriction closes camping at Swinging Bridge FAS to allow for increased day-use of the site from May 1 until July 23, 2026, to reduce conflicts through peak rafting and recreation season on the Stillwater River.

For more information on restrictions and closures at FWP sites, visit: [myfwp.mt.gov/fwpPub/allRestrictions](http://myfwp.mt.gov/fwpPub/allRestrictions).
